

# **Spatial reasoning project – Pattern blocks**

**By Year 3 at Two Moors Primary School**

**Pattern blocks – we used them to make patterns and different shapes, like stars, triangles and hexagons.**

# What are the shapes called?

Square

Trapezium

Rhombus

Triangle

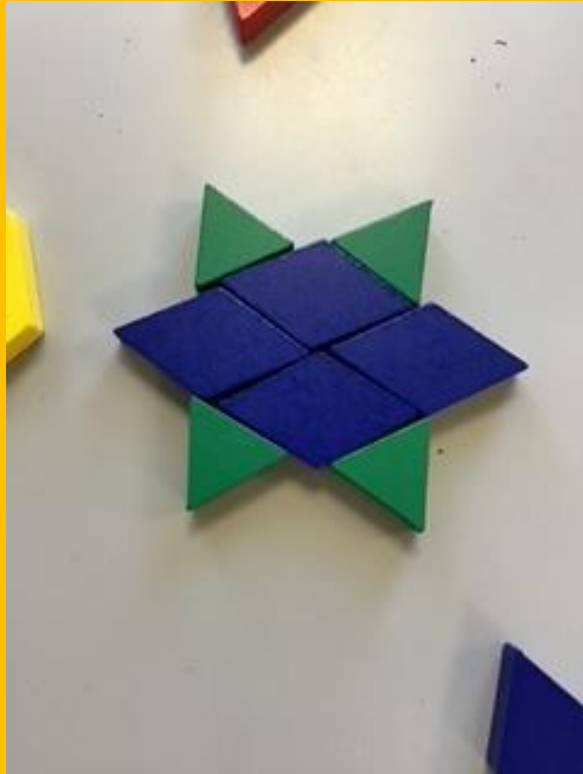

Hexagon

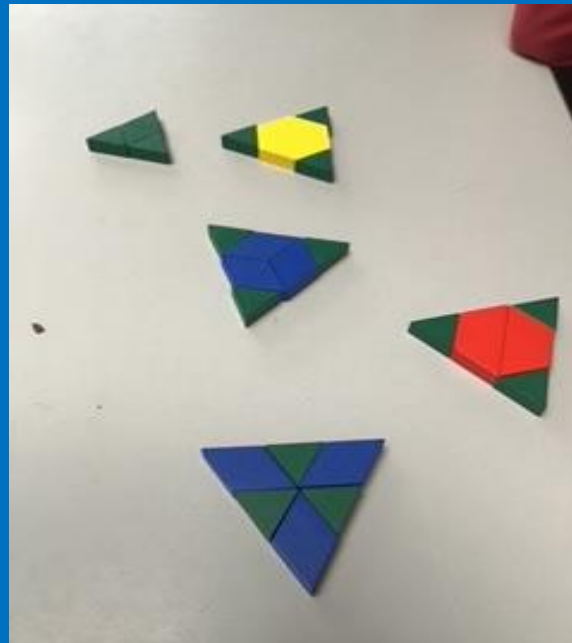

Rhombus

# Can you make a star?

# Can you make a triangle?

# Do you want a challenge?

- Can you make a square using the pattern blocks?

- How many different ways can you do it?
